TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other: The claims filed 11/12/07 are not properly marked up relative to the previously pending claims which were filed 11/12/06. For example, in the claims filed 11/12/06 there was a clause that began "wherein the proportion of total HPV DNA" following part (f) of claim 1. This clause is not present in claim 1 filed 11/12/07, nor is it striked out to indicate the deletion. Furthermore, there is a new "wherein" clause included in the claim 1 filed 11/12/07 ("wherein the labeled fragments of the genomic HPV DNA probe sets detectably...") that is not in previously pending claim but only part of this clause is marked as newly added. Claim 23 in the current claim set is marked "currently amended" but the claim has no likeness to the claim which was previously pending, while claim 24 in the newly filed claim set appears to be identical to claim 23 in the newly filed claim set. .
